WE PRINT YOU MAKE MEMORIES

ABOUT US

Founded in March 2022, Stalwart Prints is a premier custom t-shirt printing company based in Hyderabad, Telangana, India. The company was established by two friends, Praveen Moyili and Hruthik Chandra, both graduates of VNR VJIET, affiliated with Jawaharlal Nehru Technological University, Hyderabad.

At Stalwart Prints, our mission is to deliver exceptional quality custom t-shirts, specializing in signature day apparel, to educational institutions across the region. We take pride in helping students create lasting memories with high-quality prints that celebrate their milestones.

Over time, we have expanded our product range to include a variety of apparel and promotional items, such as screen-printed clothing, Direct-to-Film (DTF) prints, puff printing, mugs, caps, fridge magnets, keychains, sashes, lanyards and corporate gifts. Whether you are an individual, a business, or an institution, we offer tailored solutions for B2C, B2B, and Print-On-Demand services. At Stalwart Prints, we are committed to providing top-notch products that meet the highest standards of quality and design.

TYPE OF PRINTING

D.T.F. Printing Technology

Our D.T.F. (Direct-to-Film) printing technology allows us to transfer your brand design onto a wide range of fabrics, including polycotton, cotton, and bio-wash materials. Both **Sublimation** and **D.T.F.** technologies are compatible with light-colored fabrics, such as White, Sea Blue, Ash, and Pink. These printing methods work particularly well on fabrics like Dot Knit, Nirmal, Rice Knit, Nylon, Salena, Heavy Polyester, and Polyester.
